18 September 2026

Dear Sirs,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other directors and officials of the company, the following representations given to you in connection with your audit of the financial statements for the year ended 31 December 2025.

- 1 We have fulfilled our responsibilities as directors, as set out in the terms of the engagement, for preparing financial statements under Company legislation which give a true and fair view and for making accurate representations to you as auditors. All the accounting records have been made available to you for the purpose of your audit of the financial statements and all the transactions undertaken by the company have been properly reflected in the financial statements and recorded in the accounting records. All other records and all relevant information have been made available to you for the purposes of your audit.
- 2 We also acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- 3 There have been no irregularities involving management, employees or others where the irregularity could have a material effect on the financial statements, other than as has already been disclosed to you.
- 4 We have disclosed to you our knowledge of any allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, analysts, regulators or others.
- 5 The financial statements are free from material misstatements, including omissions.

- 6 At 31 December 2025, the company had no liabilities or contingent liabilities other than those disclosed in the accounts. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you.
- 7 There have been no events since the balance sheet date which necessitate revision of the figures included in the financial statements or inclusion of a note thereto, other than those already disclosed or included in the accounts.
- 8 The company has not had, or entered into, at any time during the period any arrangement, transaction or agreement to provide credit facilities for directors or to guarantee or provide security for such matters, except as disclosed in the financial statements.
- 9 We confirm that all related party relationships and transactions have been appropriately accounted for and disclosed in the accounts in accordance with applicable account standards; that we have disclosed to you the identity of all related parties and transactions with them relevant to the company; and that we are not aware of any further related party matters that require disclosure.
- 10 The company has not contracted for, nor authorised, any capital expenditure other than as disclosed in the financial statements.
- 11 We confirm that there has been no possible or actual instance of non-compliance with those laws and regulations which provide a legal framework within which the company conducts its business.
- 12 We confirm that it is appropriate for the financial statements to have been drawn up on a going concern basis. In reaching this conclusion we have taken into account all relevant matters of which we are aware and have considered a future period of at least one year from the date on which the financial statements will be approved.

We have also considered the adequacy of the disclosures in the financial statements relating to going concern and are satisfied that sufficient disclosure has been made in order to give a true and fair view.

We do not consider that any additional disclosures are required in the financial statements in relation to the adoption of the going concern basis in order to show a true and fair view.
- 13 The stock, amounting to £5,132 represents all the stock, wherever situated owned by the company. They have been valued, on a basis consistent with that used last year, at the lower of cost and net realisable value. Adequate provision has been made for obsolete, deteriorated or unusable stock.
- 14 Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

We confirm that the above representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where relevant, of inspection of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the above representations to you.

This letter is signed on behalf of the trustees.

Yours faithfully

.....
